

Digital Technology at Maraetai Beach School

Business
as
usual

G Suite For Education

Recent additions!

Removes adult content for safe searching.

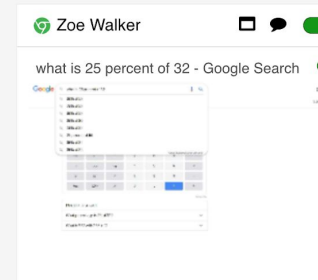

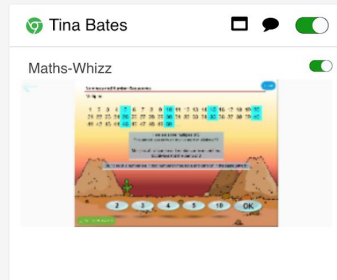

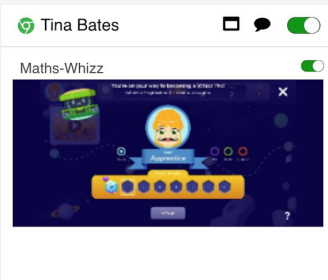

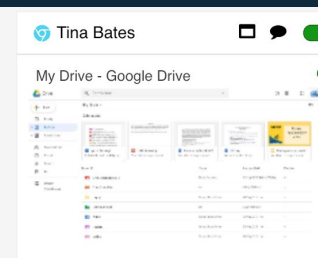

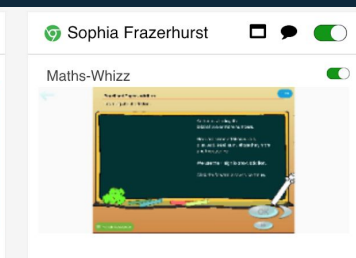

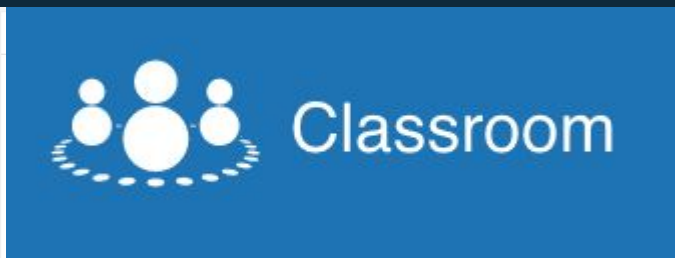

Manage use of social apps and in-app purchasing.

Set routines for what they can access, when – plus give devices sleep times.

Family Zone app and router works across every device, everywhere.

RoboCup and EPro8 Challenge:

- Special club for these events.
- Developing and collecting resources for engineering challenges.

Robotics in the Intermediate- robotics rotation

1. What is code? What types of code are there? Why do we need coders? What jobs use computational thinking skills?

<https://photos.app.goo.gl/mN4mG8eJnuJWMzby7>

Robotics in the Intermediate- robotics rotation

2. What's the problem? Design process to solve a problem with their new found robotics skills.

Market day website and tv studio

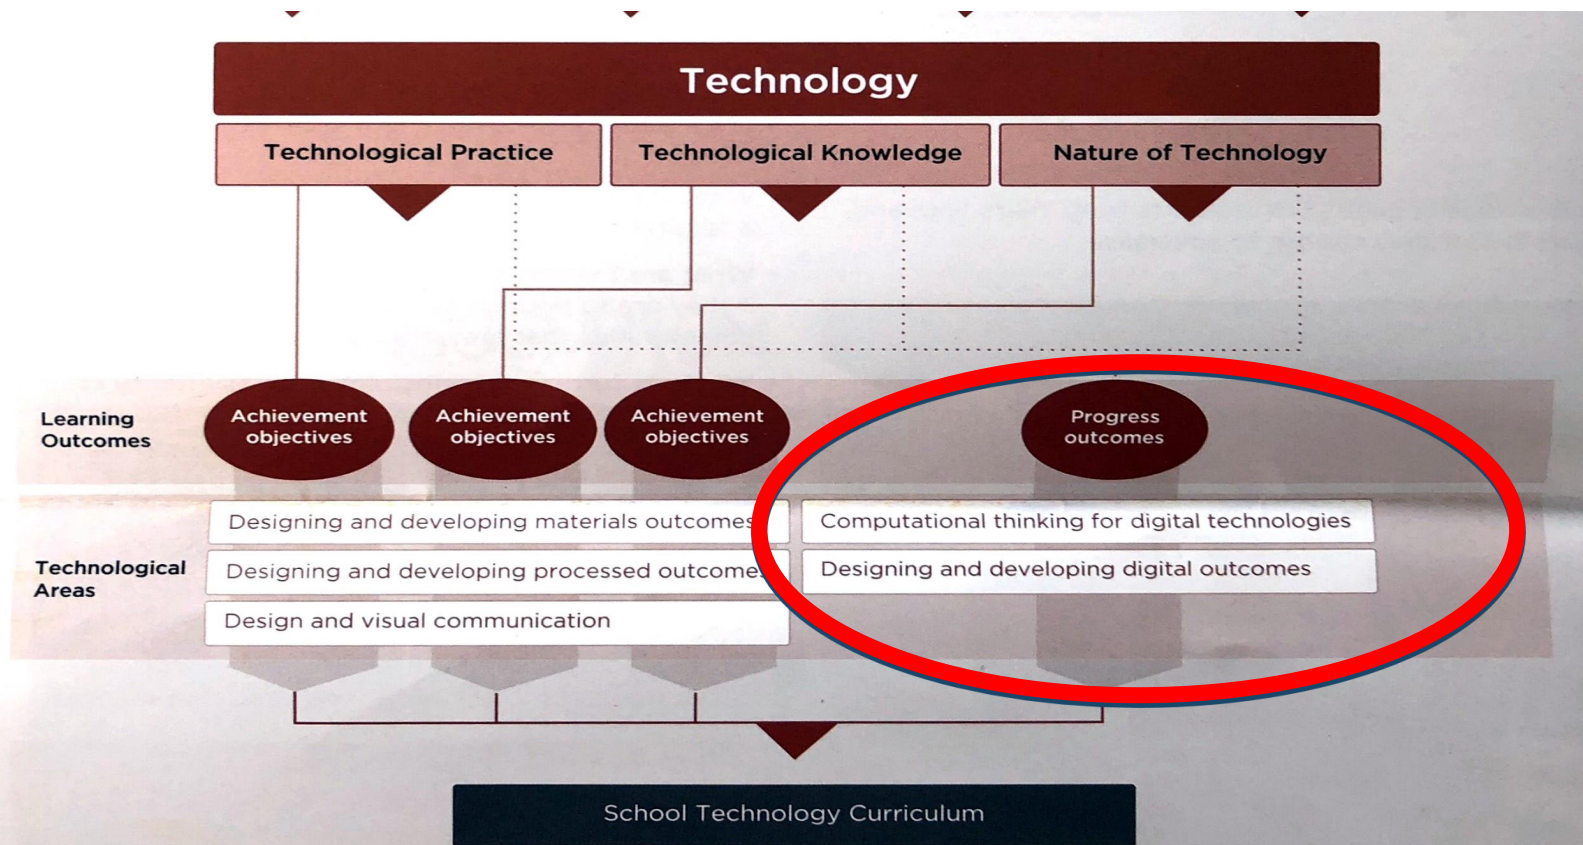

Special Events for Robotics

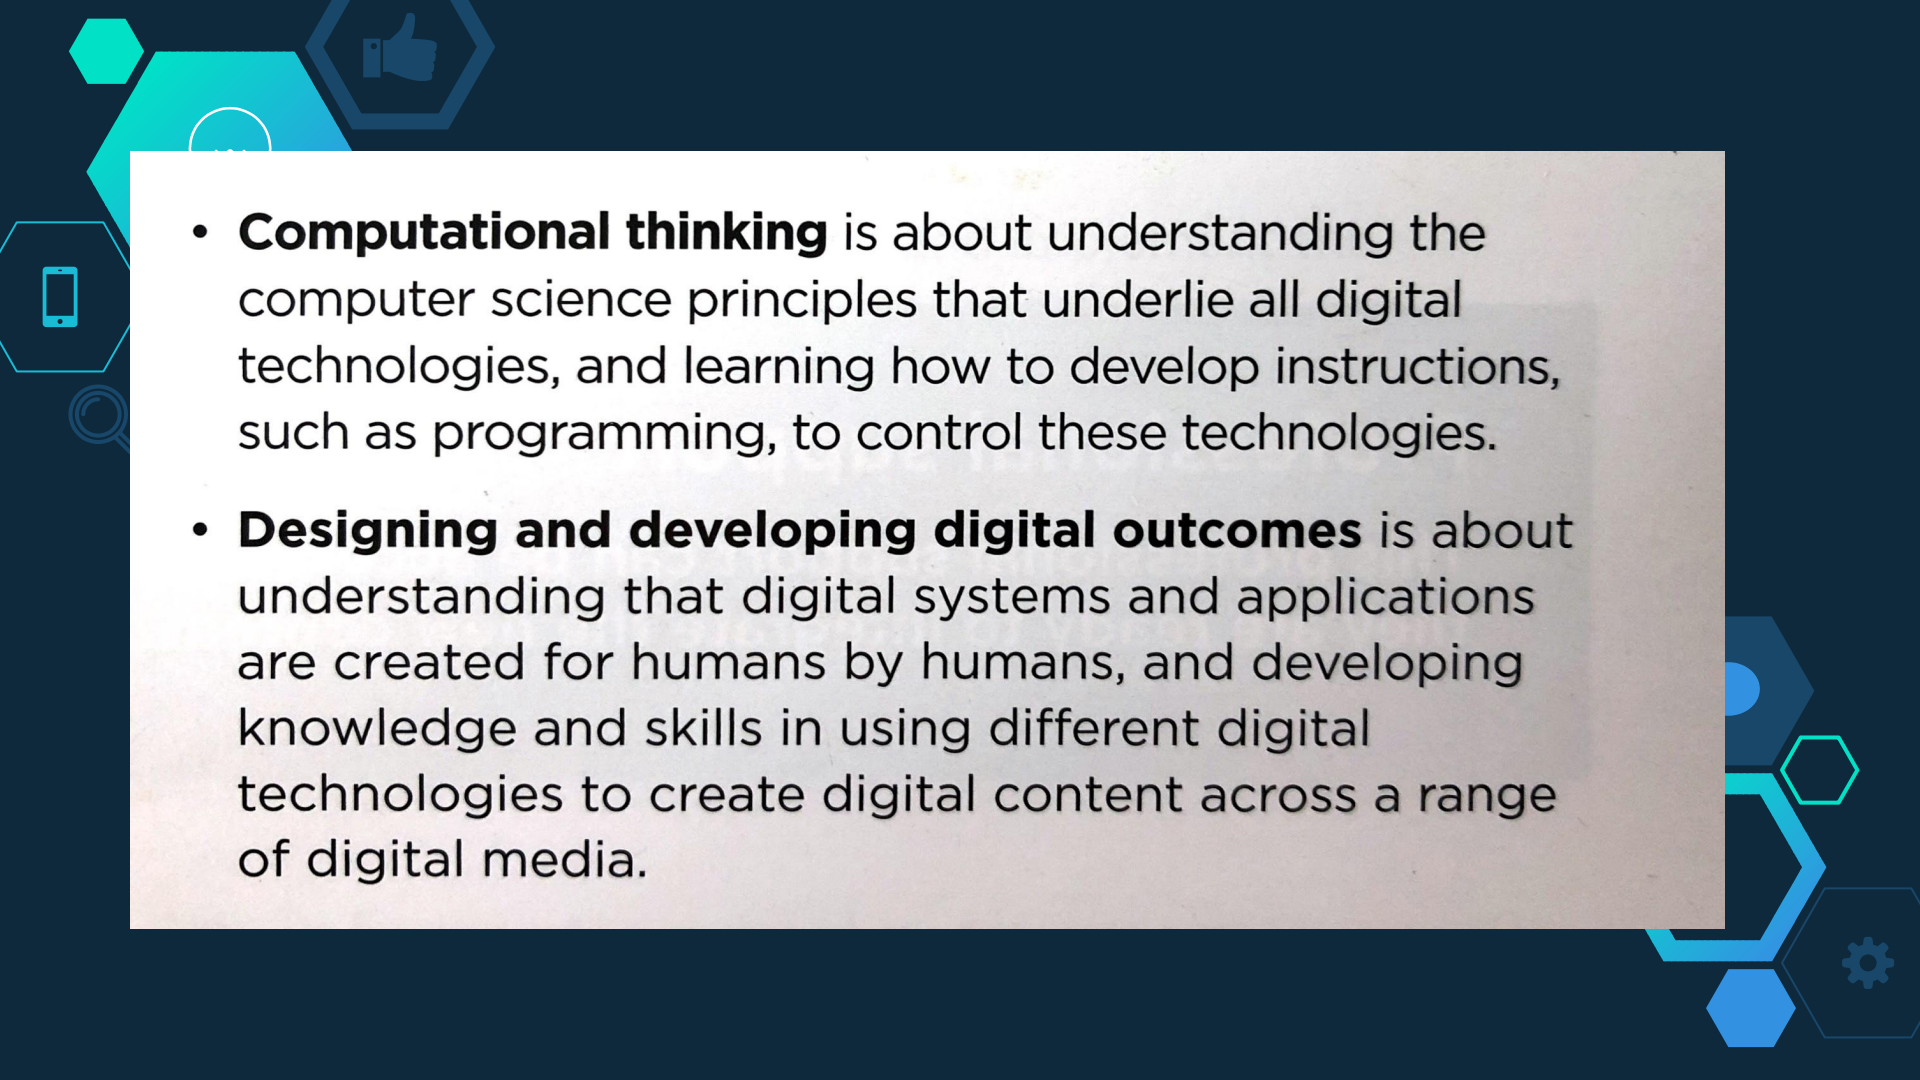

- She Can Code
- Robotics showcase intermediate students showcasing the robotics in our school to our younger students.
- Tuakana Teina buddy time learning
- Coding Club

Digital Technologies in the NZ Curriculum

- 
- **Computational thinking** is about understanding the computer science principles that underlie all digital technologies, and learning how to develop instructions, such as programming, to control these technologies.
 - **Designing and developing digital outcomes** is about understanding that digital systems and applications are created for humans by humans, and developing knowledge and skills in using different digital technologies to create digital content across a range of digital media.

Are we ready?

I'm a creative user of technology

I'm a responsible digital citizen

I'm an online collaborator and communicator

I'm a computer programmer

I'm a researcher

I'm a data producer

DF1 Make it!

DF2 Protect it!

DF3 Share it!

DF4 Programme it!

DF5 Find it!

DF6 Use it!

Key digital fluency:

Using a variety of apps and sites to publish learning

Being safe online and understanding how the internet works

Working collaboratively and sharing learning

Coding and creating

Locating and storing information and graphics from the internet

Collecting and representing data

Global Learning Intention

WALT display our learning in innovative ways.

WALT keep safe online and be a responsible digital citizen.

WALT share our learning with others and communicate online

WALT to programme computers

WALT to select relevant and trustworthy information
WALT locate and save images

WALT use digital technology to present our data and information

Years 0-2

Book Creator
Puppet Pals
Stop Motion

Hector's World episodes 1-5
Years 0-2

Sending an email
Student story on Class Dojo

Daisy the Dinosaur
Scratch jr
Hopscotch

Brainpop
Fact Monster
Kiddle

Doodle Buddy
Google Slides
PicCollage

Years 3-4

+
GSfE
Prezi
BookTrack
Green Screen

Hector's World episodes 1-5
Years 3-4

+
Peer and parent sharing on GSfE
Sending emails

+
Scratch
Move the Turtle

+
Google

+
Google Forms
Epic Decide

Years 5-8

+
Creating a Podcast
Explain Everything
Creating a Kahoot quiz
iMovie
TinkerCad

Hector's World episodes 1-5
Years 5-6
"Google Online Safety Roadshow" Videos
6 resources

+
Blog posts
Podcasting
Sites and Wikis

+
Cargo Bot
Lightbot
Codecombat
Code Academy
Appshed

+

Verso
Google Sheets
Survey Monkey

2016

From just basic coding...

MBS Digital Fluencies Overview 2020

	Responsible and Collaborative Practice			Digital Technology in the NZ Curriculum	
	I'm a responsible digital citizen DF 1 Protect it	I'm an online researcher DF 2 Find it	I'm an online collaborator and communicator DF 3 Share it	I'm computational thinker (CT) DF4 Program it	I'm a digital creator (3DO) DF5 Design it
Key digital fluency:	Being safe online and understanding how the internet works	Locating and storing information and graphics from the internet	Working collaboratively and sharing learning	Developing computational thinking (CT)	Designing and developing digital outcomes (3DO)
Global Learning Intention:	WALT keep safe online and be a responsible digital citizen.	WALT select relevant and trustworthy information and images WALT reference our sources	WALT share and communicate our learning with others online	WALT create, follow and debug simple algorithms	WALT solve problems using digital technology WALT create digital work
Years 0-1	Make own digital citizen licence Hector's World Zippep's Astro Circus app	Image web search with voice dictation Voice activated.	Seesaw (teacher modelled/supported or whole class)	Step by step instructions Scratch Jr coding cards (non-computerised)	Doodle buddy Chatterkids
Key skills: Taking Photos and videos, navigating between apps, storing and charging ipads, voice dictation, searching for images using voice dictation					
Year 2	Hector's World episodes 1-5 Zippep's Astro Circus app	+ Pic kids web search	+ Seesaw	+ Osmo Scratch Junior Daisy the Dinosaur CodeSpark Academy	+ Puppet Pals Pic Ed Book Creator
Key skills: + Scanning QR codes, finding and saving images, upload saved images into Pic kids or Seesaw					
Years 3-4	Cyber Safety Agreement How to work collaboratively with others and be respectful of the digital work of others	+ Google Search Image search and save	+ Share function on GSuite with Peers/Teacher/Parents Google Mail Scanning QR codes	+ Blockly Games Edison Robots Hopscotch Kodable	+ GSuite Canva Using Padlet Using Kahoot Greenscreen Design a BOT Stop Motion Studio Book Creator
Key skills: + Logging into Chrome, putting work into Drive folders, sharing work with others, simple document formatting (alignment, font color and size, selecting text, highlighting text etc)					
Years 5-6	Cyber safety agreement "Kawa of Care" Interland	+ Explain Everything Show Me Interactive Whiteboard Bamboo Paper	+ Creating QR Codes Google Site "Toku Ara"	+ Scratch Code.org Sphero Drones Swift Playgrounds	+ Creating Kahoots Creating Padlets iMovie Booktrack Prezi Virtual/Augmented Reality Flipgrid Answer Garden
Key skills: + Adding photos and videos to Green Screen, adding work to Toku Ara website, hyperlinks					
Years 7-8	Google "Safety Roadshow" Videos and resources. Cyber Safety agreement	+ Reference - cite sources Plagiarism - copyright Survey Monkey	+ Google Sites for presenting work	+ Lego EV3 Mindstorm Codecombat Makey/Makey Lightbot Make Code	+ Garageband Socrative Google sites Apple Productivity Apps (Pages/Keynotes/Numbers)
Key skills: + Creating Google Sites					

To now

Incorporating the 2 new strands

Continuing the mahi...

- PLD with staff
- Liz Whittaker working with teachers and classes to provide support and learning opportunities in her role as Across School Kāhui Ako Leader
- Integrating Digital Technology into each planning period
- Year 7/8 Robotics programme continuing
