2023 Mid Year Achievement Data

Overall our student achievement data demonstrates that students are progressing and achieving well in Reading, Writing and Mathematics across the school. At mid year we are on-track to meet all three end of year Ministry of Education school wide student achievement targets.

Below is a breakdown of our end of year Ministry of Education school wide student achievement targets and data in each area.

Gender and Ethnicities:

- 448 students had an overall teacher judgement made at mid year
- 234 (52%) Male
- 214(48%) Female
- 330 (74%) NZ European
- 46 (11%) Maori
- 7 (2%) Pasifika
- 32 (7%) Asian
- 31 (7%) MELLA (Middle Eastern/Latin American/African)

Reading:

Ministry of Education End of Year Student Achievement Target: 80% of all students will be achieving at and above their expected curriculum level.

At mid year - 82.3% of students are achieving At or Above the expected curriculum level.
